SLOVAK ARCHERY ASSOCIATION 3D (SLA 3D)

Represented for the purpose of this Letter of Agreement

by the President

Jana Harabinová

Concerning collaboration in the field of accepting each other's competition licences on competitions organized under the supervision of MÍSZ respectively SLA3D.

This agreement between the MÍSZ and SLA3D, represented by the presidents is detailing the responsibilities of collaboration in the field of competition licenses.

Both parties accept the other's valid competition licences when archers are competing as foreign competitors on 3D competitions. Foreign means licenced by the other organisation than the competition is held of.

The competition licences are valid on all Hungarian and Slovak competitions organized under the rules and regulations of the parties.

- The organizer of the competition is obliged to check the validity of the foreign archer's license:
- Slovak license : <https://www.archery3d.sk/lukostrelci>
- Hungarian licenses : www.mizs.hu

The agreement is valid from 1-st of Jan. 2024 till 31-st of Dec. 2024 and is automatically renewed till one or both of the parties do not cancel it.

Archers from both organisations can participate and win competitions regardless in which country they are held. Exception is the National championships where only the archers registered and licenced in the country can win the title of Hungarian respectively Slovak Champion. On national championships the foreign archers can be rewarded with special medals trophies but not the national champion title and medal.

Both parties can and should communicate to the organizers and archers in e-mail respectively on homepage the details of this agreement.

Purpose of collaboration

To allow the possibility for our archers to participate in any competition they like to regardless which country it is held in. Also, to develop 3D archery in both countries by giving more opportunities for participation and rising the level of competition and organisation.
